Wine	Poultice Plus™ or Strip-It™	XtremeClean™

The above listing is a general recommendation for stain removal. The degree of success will be determined by factors including but not limited to type of surface stained, length of time stain has been in place & whether the surface stained is sealed or unsealed.

These recommendations are intended as general guideline.

Read product directions thoroughly prior to use. Always test first. Keep surface clean and dry to reduce possibility of slip-fall accidents.
