

Poultice Plus™

Stain Remover Paste

DESCRIPTION

Aqua-Seal STC™ Poultice Plus™ is non flammable, non toxic, and easy to use pre-mixed poultice paste to remove stains. Safe on all natural stone, tile and grout. For interior and exterior use.

USES

Use on all natural stone, porcelain, grout, pavers, masonry etc to help remove stains from oil, coffee, tea, red wine etc

TEST FIRST

Due to the nature of different surfaces, you should do several tests in inconspicuous areas according to the label instructions to determine application method & desired results. The end user must determine the suitability of the product for their intended use.

PRECAUTIONS

1. Always Test first;
2. Read entire label & product technical bulletin before using;
3. Wear appropriate skin protection.
4. Use when surface temperature is between 4°C & 32°C.

INSTRUCTIONS:

1. Mix well before using (mix to a creamy paste consistency);
2. Sweep, vacuum, or wipe surface;
3. Apply 6mm of Poultice Plus in a uniform coat over stained area (cover an area slightly larger than actual stain);
4. Cover with foil or plastic wrap and tape down borders with glue residue free tape;
5. Poke a few holes in the surface of the foil or plastic wrap;
6. Allow Poultice Plus to remain covered until it dries – this may take 12-24 hours or longer, depending on conditions;
7. When dry, remove Poultice Plus from the surface;
8. Rinse thoroughly with clean water;
9. Repeat as necessary.

LIMITATIONS

- Do not allow the product to come in contact with any non-recommended surfaces.

COVERAGE

The coverage will vary depending on size and depth of stain, size of tile, density, porosity, texture, surface absorption, weather conditions, the application method and number of coats.

MAINTENANCE

- Aqua-Seal EzyClean™ for routine, everyday cleaning;
- Aqua-Seal XtremeClean™ for periodic heavy duty cleaning;
- Aqua-Seal DeepClean Pro™ for large commercial areas.

HANDLING AND STORAGE

- Close container tightly after each use. Store in original container only.
- Store and use in temperatures between 4°C and 32°C.

FIRST AID

For advice, contact a Poisons Information Centre (Phone 131 126) or a doctor. If swallowed, do NOT induce vomiting. Immediately give at least 3-4 glasses of water. If in eyes, hold eyelids apart and flush the eye continuously with running water. Continue flushing until advised to stop by the Poisons Information centre or a Doctor, or for at least 15 minutes. If skin or hair contact occurs, remove contaminated clothing and flush skin and hair with running water. If irritation persists, seek medical attention.

SAFETY DIRECTIONS

Avoid contact with skin and eyes. Keep out of reach of children.

WARRANTY

Aqua-Seal STC™ "The Manufacturer" warrants to the original purchaser of its products that such products are free from manufacturing defect and does not warrant or guarantee the workmanship performed by any person or firm installing its products. The manufacturer's obligation under this warranty is limited solely to the original purchaser and solely shall be limited to the replacement of the product sold. This warranty will not extend to any product which has been modified in any way or which has not been used in accordance with the printed instructions. The manufacturer makes no other warranties either expressed or implied. The end user must determine the suitability of the product for their intended use.

ALWAYS DO A TEST FIRST.
